PROFESSIONAL SUMMARY:

- **3 years of experience as a UI/Frontend Developer**, with strong expertise in **HTML5**, **CSS3**, and responsive design principles to craft pixel-perfect, cross-browser compatible user interfaces..
- Proficient in **JavaScript (ES6+)**, **TypeScript**, and modern CSS frameworks like **Tailwind CSS** and **Bootstrap** to build dynamic and high-performance web applications.
- **Currently growing in ReactJS**—building scalable components, learning advanced patterns, and applying React fundamentals in real-world projects.
- **Recognized as the Star Performer of the Year (2022–2023)** for delivering quality work ahead of deadlines, optimizing workflows, and exceeding expectations across diverse frontend projects.
- **Skilled in integrating REST APIs** and collaborating closely with designers, backend developers, and marketing teams to deliver interactive, real-time, and data-driven web solutions.
- **Delivered 50+ projects** across platforms like **WordPress, Shopify, and Wix**, customizing frontend solutions for eCommerce, corporate, and SaaS clients with a **user-first approach**

TECHNICAL SKILLS:

- **Frontend Development:** HTML5, CSS3, JavaScript (ES6+), TypeScript, Responsive Web Design, ReactJS (Beginner)
- **UI Frameworks & Libraries:** Tailwind CSS, Material UI, Bootstrap, jQuery
- **Version Control & Tools:** Git, GitHub, VS Code
- **Web Design Tools:** Figma, Photoshop, Fireworks
- **CMS & Builders:** WordPress, Wix, Shopify, Webflow
- **APIs & Web Optimization**: REST APIs, Data Fetching (Axios/Fetch), Performance Optimization (Code Splitting, Lazy Loading, SEO Basics)

WORK EXPERIENCE:

Frontend Developer

Labtron | Sept 2024 – Present

- Developed and maintained **25+ responsive websites** using **TypeScript**, **HTML5**, **CSS3**, **Tailwind CSS**, and **ReactJS (Beginner level)**—focusing on clean UI and mobile-first design.
- **Enhanced UI components and integrated RESTful APIs**, resulting in a **25% boost in user retention** through improved performance, real-time data flow, and seamless UX.

- Prioritized **cross-browser compatibility**, **SEO best practices**, and **performance optimization** (lazy loading, code splitting), ensuring fast and accessible user experiences across all platforms.

Frontend UI Developer

Smartinfosys.net Pvt Ltd | Oct 2022 – Sept 2024
(Star Performer of the Year 2022-2023)

- Developed **45+ responsive websites** using **HTML5, CSS3, JavaScript**, and **Bootstrap** in eCommerce, corporate, and SaaS sectors.
- Improved **website conversion rates** by up to **20%** through optimized UI components and performance.
- Worked closely with design teams to refine user flows and enhance the accessibility and functionality of digital solutions.
- Mentored junior developers, promoting **clean code**, **performance optimization**, and **best practices** in web development.

KEY PROJECTS:
